## ARDEN PROGRESSIVE SCHOOL (APS) PRE-PRIMARY WING

Our Pre-Primary Wing at Unchapul is our great pride. All the classrooms are air-conditioned and are equipped with audio-video facilities for learning lessons. It is supported by educational tools that improve learning of the kids. The kids are housed in a colourful environment with many playing tools and kits where they rest after lunch. The curriculum is designed in such a way that they learn primary ethics and moral values along with the lessons. It is the long and the short of getting your daffodils blossomed the best. All the teachers are trained, highly qualified and caring facilitators. They are all alive to be mothers first and teachers later.

We want our school to be a participative place for parents where they see a bright future for their children. Any idea, thought or concern, is therefore, welcomed. Seeing the convenience for parents, the school has followed the same fee structure without any increment in fees of students for the first initial three consecutive years.

We would like to share the fee structure for the session 2023-24 with our prospective parents.

**"We believe in quality only because every child is important for us"**

**Welcome to ARDEN PROGRESSIVE SCHOOL (APS) HALDWANI LAMACHAUR** ARDEN PROGRESSIVE SCHOOL is spread in a sprawling seven acres lush green, pollution free campus situated on the foothills of the Himalayan mountain chain on one side and dense forest cover on the another. In the midst of this landscaped surrounding, ARDEN PROGRESSIVE SCHOOL has set for itself very high standard that aims at all round intellectual, physical, spiritual and aesthetic development of every student. The school offers numerous facilities and opportunities for students to explore their talents and enjoy their growing years in right environment.

**ARDEN PROGRESSIVE SCHOOL HALDWANI LAMACHAUR** is an extraordinary place where we are committed to work closely with parents in order to provide "Quality Education" to students. Our curriculum focuses on developing "Life Skills" and "Sensibility" of the children. Our goal is to teach students to gain practical knowledge, read and think critically, solve problems, communicate effectively (both verbally and in written), and utilize technology in relevant ways throughout their school years. In order to supplement academic excellence with all-round development of students, there is a strong focus on imbibing "Student Ethics" for developing a "Deep Rooted Value System". We invite parents of Haldwani, to join hands with us in this endeavour to prepare our students to face the challenges of life. We want our school to be participative place for parents where they see a bright future for their children. Any idea, thought, or concern is therefore, welcomed. Seeing the convenience for parents, the school has followed the same fee structure without any increment in fees of students for the first initial three consecutive years. We would like to share the fee structure for the session **2023-24** with our prospective parents.
